

28th April 2025**Vessel Omission WK 18**

Dear Customer,

As your integrated logistics partner, our aim is to provide you with the best ability to manage an efficient supply chain that keeps running without any delays or challenges. However, this is sometimes unavoidable – in which case, it is our utmost priority to ensure that you have the necessary information to better plan your logistical network.

In this regard, we would like to inform you that vessel **SM KAVERI / 090W** will be omitting Port Qasim ("PQ") and below are the details for your reference:

Vessel Name	Load Port	Vessel Voyage	Sailing Week
SM KAVERI	Port Qasim	T10/090W	18

Please be noted that export shipments planned on **SM Kaveri T10/090W** from PQ will be moved on **GFS Ruby 097E**, expected departure of this vessel is **2nd May-2025** from PQ, below are the vessel cut offs for your reference.

ESI Cut Off	28 th April, 04 pm
CY Cut Off	28 th April, 04 pm

Kindly feel free to reach out to your local Maersk Customer Service representatives in case of further queries.

Regards
Maersk
